## Modular

In addition prestop offers the possibility to expand the possibilities with the modular kiosk. This offers various options like a barcode scanner, printer or proximity sensor. The modular kiosk gives you the possibility to turn your information kiosk into an order kiosk. Due to the modular design the kiosk is ready for the future!

### Multiple possibilities to expand your kiosk

# Upgrade the Kiosk

## Optional Accessories

- Signage
- Wheel set
- 4G / WiFi
- Flightcase
- Stainless steel edges
- Proximity sensor
- Barcode scanner
- RFID reader
- Mini PC
- Keyboard and mouse
- 3D camera
- Omnitapps
- SiteKiosk
- Professional installation

### Signage

Customize the kiosk according to your corporate identity.

### 4G / WiFi

Use the kiosk at remote locations without an internet connection: use 4G as an alternative way to connect to the internet.

### Flightcase

Make transport easier with a prestop Flightcase. It offers roll on / roll off functionality for quick loading and unloading when the kiosk is equipped with the optional wheel set.

### Stainless steel edges

Tough looks and added strength: with the Stainless steel edge on the Information Kiosk it really stands out with a premium look!

### Slim design printer

Add a printer and still keep a slim housing.

# prestop

Prestop integrates PCAP touch foil from 10" to 85" on glass in every size and shape. With our own cleanroom and our experience, we supply to many screen manufacturers, architects, interior builders, AV companies and end users who are interested in customized interactive displays. We can laminate PCAP technology on glass up to 12 mm thickness.

- Certified cleanroom (ISO 14644)
- Dutch design
- Assembled in The Netherlands
- Transport and installation worldwide

**Prestop is your specialist for interactive experiences since 1993!**

We develop and produce touch tables, information kiosks, touch screens, outdoor kiosks, industrial solutions and video walls. Prestop is also specialized in custom projects.
