

Kiosk Eminent desk line

Kiosk Eminent desk line

Reduce waiting lines, promote margin products and much more. Find out what other benefits the prestop desk kiosk can have for your company.

Kiosk Eminent desk line

Slim, stylish and efficient. The latest Evolution desk kiosk from Prestop. The desk kiosk can be used as an information touchscreen or as a self-checkout. Reduce waiting for lines, promote your margin products and offer your customer more cross-selling opportunities. The kiosk can be equipped with QR/barcode scanners, a printer and a pin unit for easy payment and a smooth experience for the customer. The latest display technology is used for optimum picture quality and viewing angles. Prestop's PCAP touch technology ensures a smooth experience and offers 10 simultaneous touchpoints. Try this product yourself in our amazing Experience Center!

Kiosk Eminent desk 16" Portrait

A nicely sized desk kiosk with a 16" full HD screen. Robust design with a clear screen makes this an ideal kiosk for if you want a touchscreen solution with a smaller sized screen.

Kiosk Eminent 22" desk Portrait LED

Surface entirely made of glass, under which the touch screen is fitted: edge-to-edge. This kiosk really stand out of the crowd because of its LED edge, which is entirely changeable to your branding. This design ensures less distraction of the screen, is easy to clean and gives the information kiosk a premium look that attracts attention. Although focus is on design, it is also made very robust with 4 mm hardened glass.

Weight	20.0 kg / 44.09 lbs
Partnumber	PT-KIOSK-EM22P-DESK-AG

Kiosk Eminent 10" desk Portrait Flightcase

A flightcase desk model. Easily portable because of the flightcase cover that can be put on top of it. All components fit into the flightcase, giving you a dynamic kiosk. Also available without the payment options, so you can use it as an information or registration kiosk. To keep the overall solution as compact as possible, we chose for two relatively small receipt printers. However, the software ensures that when one printer's paper is empty, it switches to the second printer.

Features

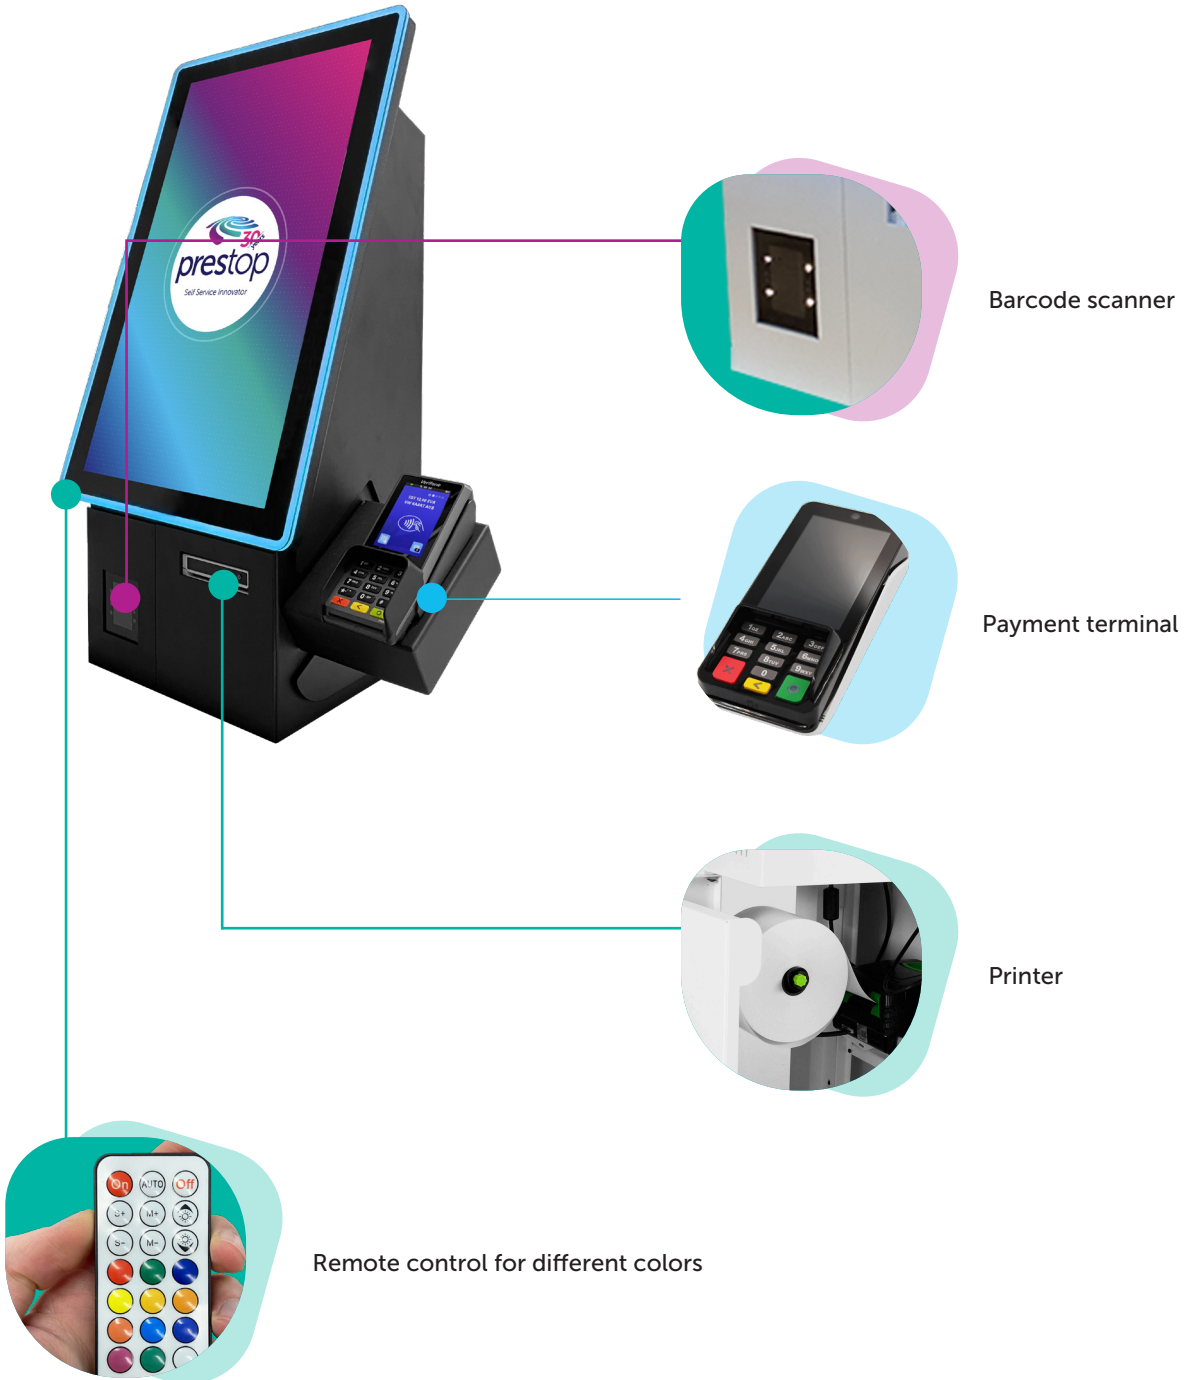

- Portable
- Compact
- Pin terminal
- QR/barcode reader
- Two small receipt printer
- All-in-one solution

Display	1x10.1" 1280x800
Brightness	500 nit

prestop

Kiosk Eminent desk line

Prestop integrates PCAP touch foil from 10" to 85" on glass in every size and shape. With our own cleanroom and our experience, we supply to many screen manufacturers, architects, interior builders, AV companies and end users who are interested in customized interactive displays. We can laminate PCAP technology on glass up to 12 mm thickness.

- Certified cleanroom (ISO 14644)
- Dutch design
- Assembled in The Netherlands
- Transport and installation worldwide

Prestop is your specialist for interactive experiences since 1993!

We develop and produce touch tables, information kiosks, touch screens, outdoor kiosks, industrial solutions and video walls. Prestop is also specialized in custom projects.
