

Kiosk Eminent wall line 24" - 32"

Give your customers a new interactive
experience with a prestop order kiosk

Sleek edge to edge design

Self Service Innovator

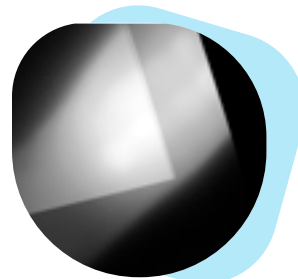

Kiosk Eminent wall line

Invest in the future with the prestop order kiosk—the solution for a quick, accessible and user-friendly customer experience.

Inform, present and sell your products digitally with the prestop information kiosk. There are multiple possibilities to integrate your corporate identity and signage on the order kiosk. The kiosk range is available with a 24" a 32" and a Wall touch screen in portrait orientation. The display is Full HD with PCAP touch technology and ten simultaneous touch points.

Kiosk Eminent wall 24"

Surface entirely made of glass, under which the touch screen is fitted: edge-to-edge. This design ensures less distraction of the screen, is easy to clean and gives the Order kiosk a premium look that attracts attention. Although focus is on design, it is also made very robust with 4 mm clear, hardened glass.

Edge-to-Edge, bezel-free glass

Portrait (9:16)

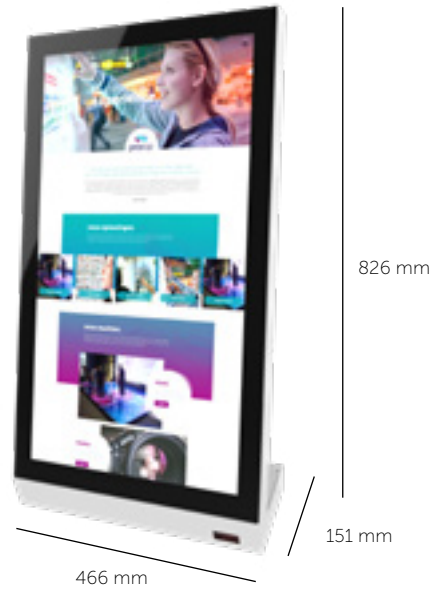

Features

- Borderless design
- Glass covers complete front
- Easy to clean
- Sturdy steel ordering kiosk

Modular

In addition prestop offers the possibility to expand the possibilities with the modular kiosk. This offers various options like a barcode scanner, printer or proximity sensor. The modular kiosk gives you the possibility to turn your information kiosk into an order kiosk. Due to the modular design the kiosk is ready for the future!

Multiple possibilities to expand your kiosk

Payment Terminal

No more loss of sales! Customers can order their product which isn't available in your store immediately online.

Upgrade the Kiosk

Optional Accessories

- Signage
- 4G / WiFi
- Flightcase
- Wheel set
- Industrial printer
- Slim design printer
- Proximity sensor
- Barcode scanner
- RFID reader
- Mini PC
- Keyboard and mouse
- 3D camera

- Professional installation

4G / WiFi

Use the kiosk at remote locations without an internet connection: use 4G as an alternative way to connect to the internet.

Industrial printer

The industrial printer works with larger paper rolls to ensure shorter service times.

prestop

Kiosk Eminent wall line

Prestop integrates PCAP touch foil from 10" to 85" on glass in every size and shape. With our own cleanroom and our experience, we supply to many screen manufacturers, architects, interior builders, AV companies and end users who are interested in customized interactive displays. We can laminate PCAP technology on glass up to 12 mm thickness.

- Certified cleanroom (ISO 14644)
- Dutch design
- Assembled in The Netherlands
- Transport and installation worldwide

Prestop is your specialist for interactive experiences since 1993!

We develop and produce touch tables, information kiosks, touch screens, outdoor kiosks, industrial solutions and video walls. Prestop is also specialized in custom projects.
