

Self Service Kiosk Triple Portrait 24"

Reduce waiting lines, promote margin products and much more. Find out what other benefits the **prestop** information kiosk can have for your company.

Self Service Innovator

Kiosk Luminant Triple Portrait 24"

Luminant Triple Order Kiosk

Slim, stylish and efficient. The latest Luminant order kiosk from Prestop. Reduce waiting lines, promote your margin products and offer your customer more cross selling opportunities. The kiosk can be equipped with touch displays on all three sides. The latest display technology is used for optimum picture quality and viewing angles. Prestop PCAP touch technology ensures a smooth experience and offers 10 simultaneous touch points. Try this product yourself in our amazing Experience Center!

Triple Order Kiosk Portrait 24" Luminant

Two payment touchscreens and a signage screen. Surface entirely made of glass, under which the touch screen is fitted: edge-to-edge. This design ensures less distraction of the screen, is easy to clean and gives the information kiosk a premium look that attracts attention. Although focus is on design, it is also made very robust with 4 mm hardened, clear glass.

Signage

Customize the kiosk according to your corporate identity.

4G / WiFi

Use the kiosk at remote locations without an internet connection: use 4G as an alternative way to connect to the internet.

prestop

Prestop integrates PCAP touch foil from 10" to 85" on glass in every size and shape. With our own clean room and our experience, we supply many screen manufacturers, architects, interior builders, AV companies, and end-users interested in customized interactive displays. We can laminate PCAP technology on glass up to 12 mm thickness.

- Certified cleanroom (ISO 14644)
- Dutch design
- Assembled in The Netherlands
- Transport and installation worldwide

Prestop is your specialist for interactive experiences since 1993!

We develop and produce touch tables, information kiosks, touch screens, outdoor kiosks, industrial solutions and video walls. Prestop is also specialized in custom projects.
