Kiosk Slim

24" landscape

Slim, stylish and efficient. The latest Slim information kiosk from Prestop. The solution for a quick, accessible and user-friendly customer experience. Inform, present, or even sell your products digitally with the Prestop information kiosk.

Attract even more customers with the new and modern design. Multiple possibilities exist to integrate your corporate identity and signage on the information kiosk. The kiosk range is available with a 24" touchscreen in landscape orientation which offers a Full HD resolution with PCAP touch technology and ten simultaneous touch points. You can upgrade the kiosk with a pin-unit, printer and scanner and it is available in a RAL colour of your choosing.

Kiosk Slim 24" landscape

In addition prestop offers the possibility to expand the possibilities with the slim kiosk. This offers various options like a barcode scanner, printer or proximity sensor. Due to the modular design the kiosk is ready for the future!

Multiple possibilities to expand your kiosk

Upgrade the Kiosk

Optional Accessories

- Signage
- 4G / WiFi
- Flightcase
- Industrial printer
- Proximity sensor
- Barcode scanner
- Pin unit
- RFID reader
- Mini PC
- 3D camera
- Omnitapps
- SiteKiosk
- Professional installation

Signage

Customize the kiosk according to your corporate identity.

4G / WiFi

Use the kiosk at remote locations without an internet connection: use 4G as an alternative way to connect to the internet.

Industrial kiosk printer

The industrial printer works with larger paper rolls to ensure shorter service times.

Kiosk Modular landscape

Prestop integrates PCAP touch foil from 10" to 85" on glass in every size and shape. With our own cleanroom and our experience, we supply to many screen manufacturers, architects, interior builders, AV companies and end users who are interested in customized interactive displays. We can laminate PCAP technology on glass up to 12 mm thickness.

- Certified cleanroom (ISO 14644)
- Dutch design
- Assembled in The Netherlands
- Transport and installation worldwide

Prestop is your specialist for interactive experiences since 1993!

We develop and produce touch tables, information kiosks, touch screens, outdoor kiosks, industrial solutions and video walls. Prestop is also specialized in custom projects.
