

# Outdoor Wallmount Kiosk Portrait 55"

High brightness display

Unique thin design, only 157 mm deep

# Display your signage in a sleek and stylish way

The prestop Outdoor Wallmount Kiosk is incredibly thin with a depth of only 159 mm! The kiosk is equipped with a high brightness display for excellent readability under all weather conditions. Interaction will be quick and easy due to the 55" display with optional PCAP touch technology. The housing is made vandalism proof by using a steel case, strong locks and 6 mm hardened glass. Equipped with an intelligent cooling and heating system the outdoor kiosk is well protected for most weather conditions -20 to + 40 °C. The applications are endless, from information point to a complete interactive wayfinding solution!
